This camp is designed for all elementary and middle school girls at any level of experience (from girls who have never touched a volleyball to girls who play on a local club team). Fundamentals such as passing, setting, attacking and serving are introduced in a fun, game-like environment. Campers are divided by age, skill level and experience in order to provide the best learning environment. The camp will be run by Alpharetta Coaches and AHS Volleyball players. This is a great way to get girls involved in the sport and the community at a young age. The fee includes a Camp T-shirt.

***Please note that we are running our camp sessions a little differently than in the past. We hope that this will allow for more individualized instruction between the campers and staff. As the sport continues to grow, we have more and more campers with various levels of experience. Camp this year will accommodate those campers with no experience and those who have been playing for multiple years.*
