Have lived in the Atlanta area since 1998
Partner – Dunwoody Medical Imaging
Schools attended – San Diego State, St. Johns, and Ware-Tech**

Growing up on the beaches in Southern California, I was afforded the opportunity to play organized volleyball with Mission and Ocean Beach Clubs. Even though the game has changed the basics remain the same. My primary goal as a coach is to put athletes in a position that will allow them to succeed personally. No matter the skill level I want them to have “FUN”.
